IOWA READING K-8 ENDORSEMENT
distance.uni.edu/reading-endorsement

As one of the most popular and marketable endorsement for educators, teachers will learn how to develop curriculum and instruction that meets the literacy needs of struggling students and enhance the learning potential for students of diverse backgrounds.

PROGRAM FEATURES
The sequence of courses is designed with the following outcomes:

- Synthesize the language development knowledge base and apply connections to current practice
- Develop a position statement on an identified ideological, cultural, or sociopolitical issue grounded in current research
- Demonstrate knowledge and application of literacy assessments used to develop instruction for children who struggle with literacy learning
- Assess, evaluate, develop, and implement an individual literacy program to meet the needs of a child who struggles with literacy learning

FLEXIBLE DELIVERY
Courses are offered online using Blackboard, a dynamic platform that will enhance your learning experience and sense of community with fellow classmates. Some courses include a real-time connection through interactive video conferencing methods.
