New cohort to begin Summer 2018
endorsement
Iowa Reading K-8

The Reading K-8 Endorsement is one of the most popular and marketable Iowa endorsements for teachers. By taking the UNI courses that meet the endorsement requirements, teachers learn how to assess students' reading and then design and implement instruction for them in ways that help them become skilled and successful readers.

Program features
The sequence of courses is designed to help participants learn how to:

• Assess and evaluate reading difficulties,

• Connect language development issues with the evaluation of literacy and successful instructional planning,

• Effectively select and incorporate children’s or adolescent’s literature, and

• Design instruction that will best meet the specific needs of students experiencing difficulties in reading and writing.

• Students may begin the course sequence in the Summer or Fall semester.

Flexible learning for a busy life
Courses in this program are offered online using eLearning, a dynamic platform that will enhance your learning experience and sense of community with classmates. Some courses include a real-time connection through interactive video conferencing methods, such as Adobe Connect, on Tuesday evenings.

LITED 4192/5192 Experience in Literacy: Tutoring (3)

Delivery of program is subject to minimum enrollment requirements.

Invest in your future
All students pay the same tuition, regardless of location, making this program an affordable investment for advancing your career and increasing your earning power. Tuition for 2017-18 is $498 per unit of graduate credit, plus a technology fee of $38 per course. Tuition and fees may be adjusted as determined by the Iowa Board of Regents and are expected to increase in August 2018.

Financial aid may be available for students who qualify, based on number of units per semester and financial need. finaid.uni.edu
